The County appreciates your interest in and support of our efforts to end the coronavirus epidemic and further our goal of reopening our communities safely.

Contact Tracers:
*Work will mostly be remote, with possible in-person meeting for orientation purposes
*Commit to a minimum 4 hour shifts, 3-4 days per week

Required Abilities
*You do not need to have a professional health degree to be a Contact Tracer, but some health background is useful
*Contact Tracers should have a high school diploma or higher
*All Contact Tracers will be required to complete the 20-hour online course on contact tracing developed by the California Department of Public Health, UCSF, and UCLA.

Intake Workers:
*Work will mostly be out of doors at various locations in the County
*Will need to be able to stand for long periods of time up to 4 hours
*Commit to a minimum of 24 hours per week
*Schedule may include evenings, weekends, and holidays

Required Abilities
*You do not need to have a professional health degree to be an Intake Worker, but knowledge of health topics is desirable
*Excellent communication skills and ability to establish rapport with clients quickly
*Ability to document information in a detailed and timely manner
*Attention to detail and excellent organizational skills
*Ability to work in a fast-paced environment
*Ability to work with a team
